A monthly newsletter for members and friends of University Presbyterian Church December 2013

Pastor's Column

In this newsletter you will find a list of all kinds of activities taking place at UPC during this holiday season. The activities range from Bible studies, reflection groups, holiday concerts, caroling to home-bound members, to a variety of special worship services.

Christmas can be a hectic time for many of us. The intention of the offerings taking place here at UPC is not to add to your season's burdens. Rather, we hope to create a space for "time out" from all that distracts us and drains us during the season in order to help us focus on the season's true gift.

The list of Advent offerings is like a dinner menu. No one expects you to sample all the offerings. But you are invited to find one or two which you think could help deepen your experience of and appreciation for God's gift of Immanuel.

In this season of gift giving, our prayer is that some of these opportunities here at UPC will be a gift to you as you make your own journey to welcome the arrival of the Savior in your life.

Shalom,
Tracy

Food Pantry By The Numbers

These numbers only tell part of the story of this important and meaningful ministry. It is the people behind the numbers, those who receive this food and offer us their thanks and their blessings, and this congregation who provide such generous support, both in time and in donations, that are the essence and the real story that these numbers represent. Our thanks to all of you.

This is my Blessing Story. It's an excerpt from my book.

"I just have to know. You're a teacher; your husband is a minister. Why don't you have children?" asked the allergist on my first and last visit to her office.

Dealing with my childlessness had been a ten-year search for healing and connections with other women. Journalizing, writing poetry, reading, and prayer were my best resources. I had read more than twenty nonfiction books about childlessness. However, I remember my first response when I found a poem by a childless woman. I could not take my eyes off the words until I had memorized at least two verses. Reading poetry about this experience was powerful for me. I bought handmade paper and copied this poem by hand.

I searched for poems by childless women whose voice would connect to my experience. I believe God answered my prayers for healing and strength by offering me the opportunity to publish a book. *I Will Bear This Scar: Poems of Childless Women* includes the work of more than forty women. Eight years after publication it continues to sell copies almost every month. This book has been a blessing for me and I pray it's been a blessing for other women.

Thank you.
Marietta

Do you have a "Blessing Story"?

Blessings come to us in many ways. They surprise us at the best and worst of times. Sometimes we don't recognize them until they've passed by. Our *New Beginnings* focus this year is "*Blessings*". Maybe you have a story that could bless another through the monthly newsletter. Use the space below or as much as you'd like to share and submit to one of the deacons. Some of you may prefer to e-mail your 'blessing story' for editing to:

Alternative Christmas Gift Opportunity

What gifts will you be giving or receiving this Christmas? A sweater? A new electronic gadget? Toys? Video games?

Have you considered giving the gift of life?

This year, UPC is offering the opportunity for our church to participate in purchasing life-saving water filtration systems for children in Kenya. Each year more than 3 million people world-wide die from water borne diseases, and the vast majority of those are young children. But with the use of very simple water filtration systems, lives can be saved and health improved.

The water filtration systems that UPC is helping to purchase will benefit the Crossroads Springs Institute in Hamisi, Kenya, a primary school which educates children orphaned by AIDS. Our goal of \$2000 will enable the school to acquire an institutional filter for the kitchen as well as many “point-of-use” filters for each classroom and other parts of the school. Each point-of-use filter costs around \$50.

Please consider being part of this important gift-giving opportunity where you can know that your money will make a crucial difference to a child’s life. You can make your donation each week during Advent, either by using the special envelopes in the pew racks or after worship at a table in the Holzwarth Room where you can also pick up a beautiful gift card to give to the person you are honoring.

Member Profile

This month we feature my favorite member, Dennis Erickson. We will have been married 4 years this month. Dennis has two adult children, Amy Thomas, 32 and Daniel, age 30. Amy is married to Aaron, and they have two daughters, Ave Marie 6 and Callie 3.

Dennis was born in Buffalo and lived for two years in Peter Styvesant apartments. At the age of 2, his family moved to Tonawanda. He graduated from UB, and then went on to Stonier Graduate School of Banking at Rutgers University. He began his career at Liberty Bank, then M & T bank, and is currently a loan analyst at Bank of America. After 45 years of banking he's looking forward to retiring next year. He'll have the time to take motorcycle rides, garden, exercise (he bench pressed 300 lbs. when he was 60!), and learn how to cook (since I'll still be working!!) Dennis also performs in plays with the Tonawanda Towne players.

Dennis was raised a Lutheran, and his father was a lay minister for their church. He decided to return to church after meeting me and became a member of UPC three and a half years ago. He was impressed with Tracy's thought provoking sermons and the beauty of the church building. He appreciated the traditional decor of the sanctuary. Since joining he has been a member of the property committee, and plans on helping out with the food pantry when he retires.

His faith has helped him deal with many struggles in his life such as when he was unemployed at age 53, and also losing his younger brother, David 4 years ago. But through all the ups and downs, Dennis believes he has truly been blest in every way. By being a member of UPC it gives him the opportunity to give thanks to God along with others of the same spirit.

First Friday
AT UNIVERSITY PRESBYTERIAN CHURCH

Too many of us lead hectic lives.

Our communities are filled with violence and suffering.

Our personal pain and struggles can overwhelm us.

How do we respond? How can we cope?

University Presbyterian Church welcomes Christians from all traditions to unite in a special contemplative worship experience as we seek spiritual strength for the living of our days. Based on the style of worship practiced in the Taize Christian community in France, these services offered on the First Friday of each month provide an oasis at the end of the week for all who are weary, troubled, or rushed. Special music from guest musicians, meditative songs, prayers, candles, and scripture readings allow each of us to find a quiet place of prayer and spiritual centering.

We invite you to join us on **Friday, December 6 from 5:30 - 6 p.m.** University Presbyterian Church is located at 3330 Main St., Buffalo (across the street from UB South Campus) with parking available in the church lot off Niagara Falls Boulevard. The church is also conveniently accessible using public transportation by taking bus or train to the University Metro station. Questions can be directed to the church office at 836-7660.
